GENERAL INFORMATION

- * Specifications subject to change without notice.
- * This parts list shows all of the parts used in your machine.
Please file this parts list for reference and refer to it when you order parts or maintain the machine.
- * This edition has been divided into sections.
Please refer to MACHINE COMPONENT.
- * The scale used on each page of drawings is different.
Please be aware that parts may seem to be different sizes on different pages.

INTRODUCTION

1. TABLE OF CONTENTS

A Unit No. and Name

The Unit No. and Name are shown on relevant pages.

B Machine Serial No.

The Serial Nos. of machines corresponding to the information shown.

C Index No.

The index No. for each part in a drawing is shown and corresponds to the list of parts for that drawing.

D Parts No.

The individual Code No. for each part on the models is shown.
Nos. in parentheses represent interchangeable with other machines.

E Parts Name

The name (description) of each part.

F Drawing No.

The numbers of drawings relevant to the part are given.

G Type (Maker)

The type description and manufacturer of each marketed item are shown.

H Quantity

The quantity of each part used on the models is shown.

I Notes

Cautions and notes necessary to the ordering each part.

J Rev. No.

The number to administrate history of revision.

**Amada Support, Rebuilds,
Sales and Fanuc Control Upgrade**

ORDER INSTRUCTIONS

1. Confirm whether the model name and No. on the serial plate of the machine correspond to the numbers of the machines for which the parts list is effective.
2. Use the drawings in the Table of Contents to find the unit on which the part in question is shown in greater detail.
3. Spread out the referred pages.
4. Use the drawings and corresponding lists to confirm the specs, etc. of the part in question.
5. When ordering, please supply the following information:
 - (1) Machine Model
 - (2) Serial No.
 - (3) Parts No.
 - (4) Quantity
